# 5.25” External enclosure

Aluminium external enclosure for 5.25” devices.

Would you like to connect your CD-rom player or DVD-player to your computer externally? The Eminent 5,25” External Enclosure is the device for you! With its stirdy aluminium this enclosure protects your CD-rom player or DVD-player well. Next that, it shakes-off enough heat to keep your CD-rom player or DVD-player nice and cool in even the harshest environments. The Eminent 5,25” External Enclosure comes with a USB cable.
